

Allure Report - Login

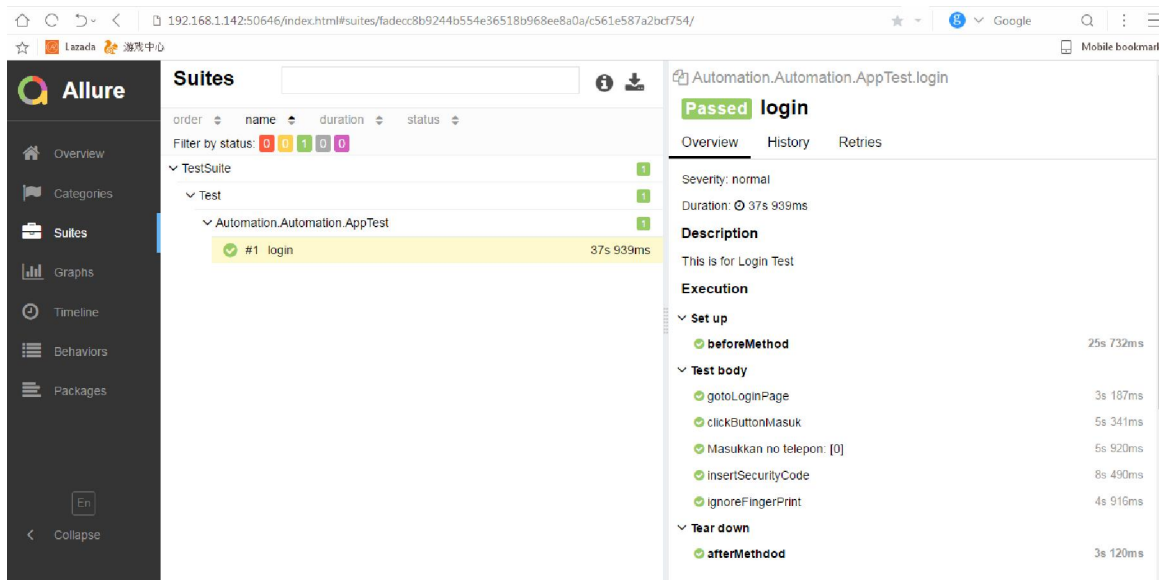

1. Overview

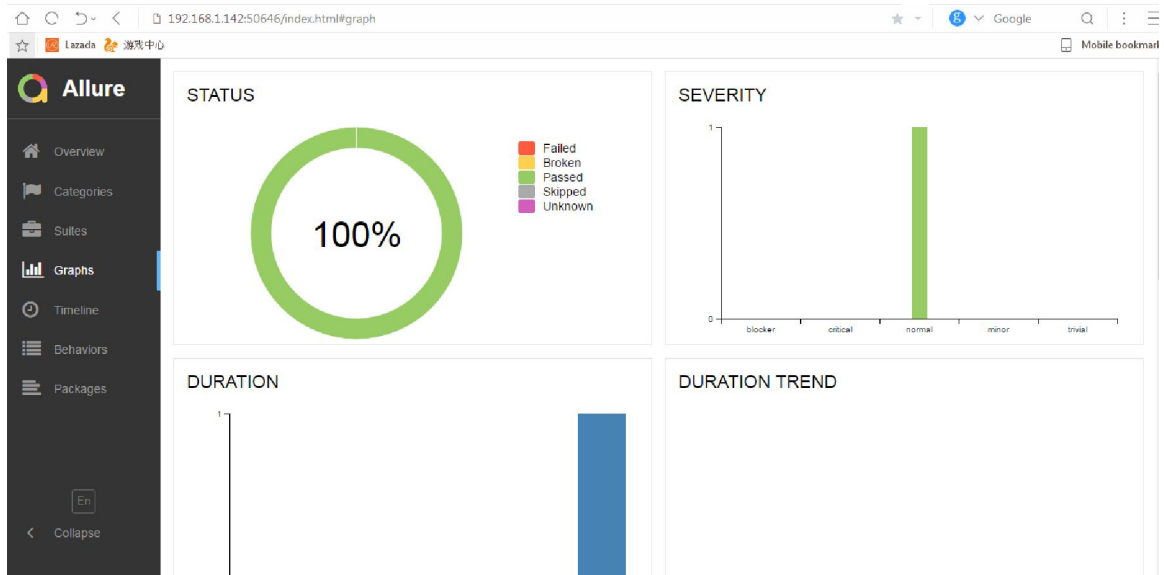

2. Categories

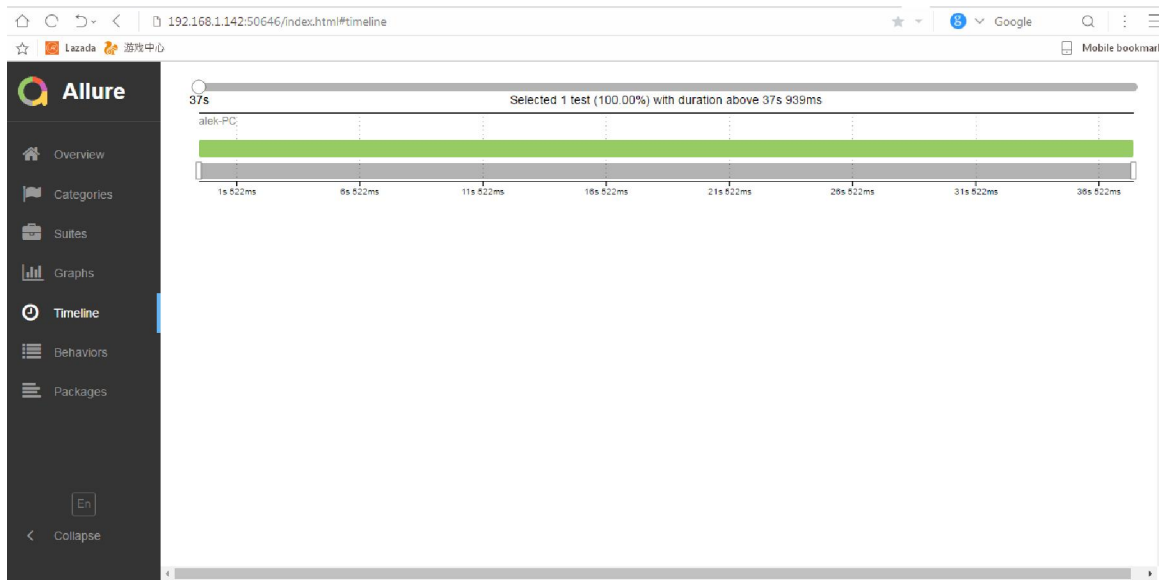

3. Suites

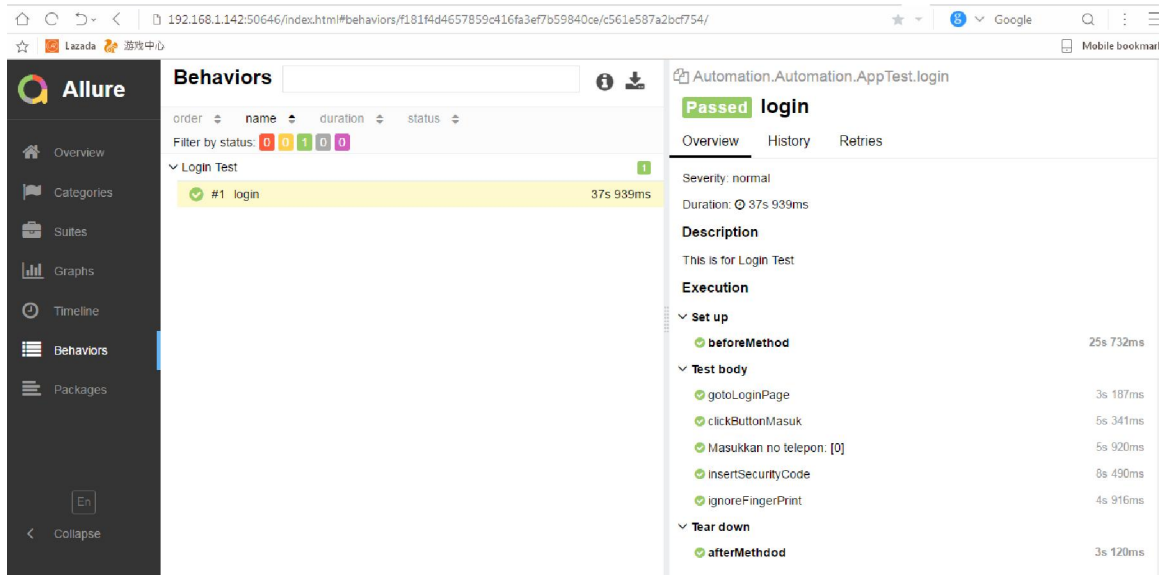

4. Graphs

5. Timeline

6. Behaviours

7. Packages

The screenshot displays the Allure web interface for a test package named 'login'. The interface is divided into three main sections: a sidebar, a main table, and a details panel.

Sidebar: The sidebar on the left contains the Allure logo and a list of navigation options: Overview, Categories, Suites, Graphs, Timeline, Behaviors, and Packages. The 'Packages' option is currently selected.

Main Table: The main table is titled 'Packages' and shows a list of test packages. The table has columns for 'order', 'name', 'duration', and 'status'. A filter bar above the table allows filtering by status, with buttons for 'Failed', 'Passed', 'Skipped', 'Not Executed', and 'Not Started'. The table contains one entry: '#1 login' with a duration of '37s 939ms' and a 'Passed' status.

Details Panel: The details panel on the right provides information about the selected test case. It includes a 'Passed' status indicator, the test name 'login', and tabs for 'Overview', 'History', and 'Retries'. The 'Overview' tab is active, showing the following details:

- Severity:** normal
- Duration:** 37s 939ms
